Swim lesson scholarships are available to any child in the Boyne City or Charlevoix school districts. **Child must meet eligibility for free or reduced lunch.** If the child already qualifies for free or reduced lunch according to the Federal guidelines, note that below. If you are uncertain, please provide income information and we will let you know if your child is eligible for this scholarship. Toddlers and infants are also available to apply for a scholarship. Parent/guardian must provide transportation to all lessons in the set.

The scholarship includes one set of lessons and five (5) pool visit vouchers (vouchers expire after 12 months) so the student can practice their skills. **Once your child is approved, the lessons can be taken at any time in 2022.** Visit our website for class dates and description of the class levels. [www.CharlevoixPool.org](http://www.CharlevoixPool.org).

**You must sign your child up for the class session you want by calling the pool and noting that you are using a scholarship once it has been awarded. Class space is limited so sign up early.**
