- I will be respectful of others, and I will treat the property of others with respect.
- I will be on time for practice, training sessions, and meets.
- I will leave the pool area in a neat and clean condition at the conclusion of each practice session. I understand this also applies to pool locker/rest rooms.
- I will practice good sportsmanship and I will promote positive team spirit.

Prohibited Behavior: I understand that at no time will the following be accepted:

- Inappropriate language or behavior.

This code shall be enforced for all CSST swimmers during practice, swim meets, and at events sponsored by CSST. Swimmers/swimmer's family may be financially responsible for any repairs or damages. Consequences for Violation of the Code of Conduct: Disciplinary actions listed below will be followed depending on the severity of prohibited behavior:

POLICY & PHILOSOPHY

Teamwork: CSST is built upon the commitment, support, and participation of the Charlevoix Area Community Pool, coaches, swimmers, parents / guardians, and the community at large. CSST believes that its success in achieving the team's goals is dependent upon the cooperation of all members.

Coaching: CSST is committed to providing comprehensive swim and stroke training by experienced coach(es). We promote a positive environment and the practice of healthy lifestyle habits, self-discipline, focus, determination, and teamwork.

The Swimmer: CSST believes that each swimmer is an individual with diverse backgrounds, needs, and goals. The team focuses on the development of positive self-esteem and individual goal setting. The team encourages swimmers to represent CSST by participating in swim meets and by attending off season practices and events. We believe that all members should model team spirit and sportsmanship.

The Parent / Guardian: CSST holds that the main responsibility of the parent/ guardian is to provide a caring, supportive environment for your swimmer(s). Please show your support by ensuring that your swimmer arrives on time and is prepared for practices and swim meets. Also show your support by always being a positive role model of good sportsmanship toward coaches, officials, and other teams. We are always looking for volunteers to help with meets and CSST sponsored events!

Contact: The coach will primarily be communicating via email and text message. Communication will be sent to inform parents / guardians of upcoming events, such as swim meets, team social events, etc. Be sure to keep your e-mail address and phone number current! Coach Megan Smithburg's email is: megan@charlevoixpool.org.

Meet Participation: A complete meet schedule will be provided once MTSL approves competition. To be entered in a meet, each swimmer must pay the entry fee per meet. The fees are based on the number of events the swimmer is participating in and what the host of the meet is charging. The swimmer must sign up for events with Coach Megan by the Friday before the week of the meet. If for any reason your child is unable to attend, please contact the coach immediately so relays can be adjusted. Individual events and relays will be selected by the head coach.

Travel and Lodging: Parents / guardians are responsible for their own children during all activities outside of the pool, including transportation, food, and lodging. Every effort will be made to connect those who wish to arrange carpools.

Equipment: Practice: swimsuit, goggles, cap (for those with long hair), water bottle. Meets: Team suit, team cap, goggles, water, snacks, towel & extra clothes to wear between events. **You are strongly encouraged to label all your swimmer's equipment. Labeled equipment found at practice can easily be returned to the swimmer. Unlabeled equipment found around the pool deck will be placed in the lost and found. It will be kept for 30 days and then if not claimed, it will be donated to a local charity.

Team Gear: For swim meets, swimmers can wear a Stingrays team suit, or a one-piece suit approved by the head coach. Meet suits should be tight fitting and it is best to have a different swimsuit for practice. We will have a team swimsuit that can be purchased. Details will follow, contact Megan for information. Caps and goggles, as well as goggle replacement parts, are for sale at the front desk.
